

Dear Admissions Committee,

I had the pleasure of being Pranay's school counselor at St. Theresa Sr. Sec. School. Pranay is one of our school's best students. He is a determined, energetic, and hard-working individual. He has shown impressive leadership qualities, with a high aptitude for math and statistics.

Throughout the year Pranay was an active participant in our discussions. His caring nature and personality allow him to work well with others in a team setting.

Pranay is also the head boy and the Secretary of the Student Cabinet of our school. He successfully fulfills his duties and maintains discipline in the School cabinet. He is very respectful towards the students and is loved by the school students.

One thing I really like about him is the enthusiasm and energy he puts into every work he does. He always respects others' opinions even when they differ from her own.

He is very eager to share his knowledge with others, learn new skills and use them for the benefit of society. He is punctual with his work, and irrespective of the numerous activities he is involved throughout the activities, he had never missed the submission deadline.

At last, Pranay has my highest recommendation for admission to your engineering program. I know he will positively contribute to the college.

Sincerely,  
Royal Anthony  
School Counselor  
St. Theresa Sr. Sec. School
